THAILS x NIVODA

In collaboration with Nivoda, we offer seamless integration services tailored for Shopify merchants. Whether you're building a brand-new store or enhancing an existing one, our expert team ensures a smooth and efficient Nivoda setup—ranging from a standard integration to a fully customized solution designed to fit your unique needs.

OUR PLANS:

Basic

10-hour support package for setup and any adjustments you need

€ 1200
Timing: 1 week

Optimal

- Seamless integration of Nivoda into your store
- Strategic setup of Nivoda for your store needs and goals

From: € 2500*
Timing: 1 – 2 weeks
*Depends on the code of your store and your goals

Custom

- Seamless integration of Nivoda into your store
- Tailored styling that aligns with your brand identity
- Custom features and settings for an optimized user experience Product page ► Nivoda interface

From: € 5000*
Timing: 2 – 3 weeks
*Depends on your requirements

Customer Retention Add-ons

Capture the data
of your customers

A standout feature designed to help you build a database of potential customers who showed interest but haven't purchased yet: a contact information form that syncs directly with a dedicated list in your Klaviyo (or email system) account.

From € 750
Timing: 3 days

Be in touch
with your customers

Develop a custom email flow strategy to keep your customers connected and engaged with your brand through updates, new collections, and promotions.

From € 1 200
Timing: 1 week
